Dear Earl:

Re our phone conversation 1/26/88, the purpose of this letter is to confirm the draining of our fire water storage tank into the storm runoff ditch on 1/27/88. The fire water storage tank contains only river water. Any flushing, if necessary to facilitate repairs, will be directed into our industrial sewer system.

If I can answer any questions, please call me.

Very truly yours,

Charles S. Jordan
